Jungle Mansion

PRIVACY | LUXURY | EXCLUSIVITY

BIENVENIDOS WELCOME

Welcome to the Highlife Panama Jungle Mansion, the most luxurious private mansion in Panama City, Panama. A beautiful multi-terraced villa, this private estate is hidden to prying eyes up in the cloud forest of Cerro Azul in the hills above the city. Built with a bali-esque design and imported carvings, this tranquil setting is perfect for not only the one night of debauchery, but a great location for multiple days with full staff on site, all in accord with 100% discretion.

Luxury doesn't stop with the furnishings, but with every aspect of your stay. Looking to get into the city, we have private chofers standing by to leave whenever you wish to. With the option of a small bus or your own small fleet of SUVs you will always be able to jump into the city at a moments notice.

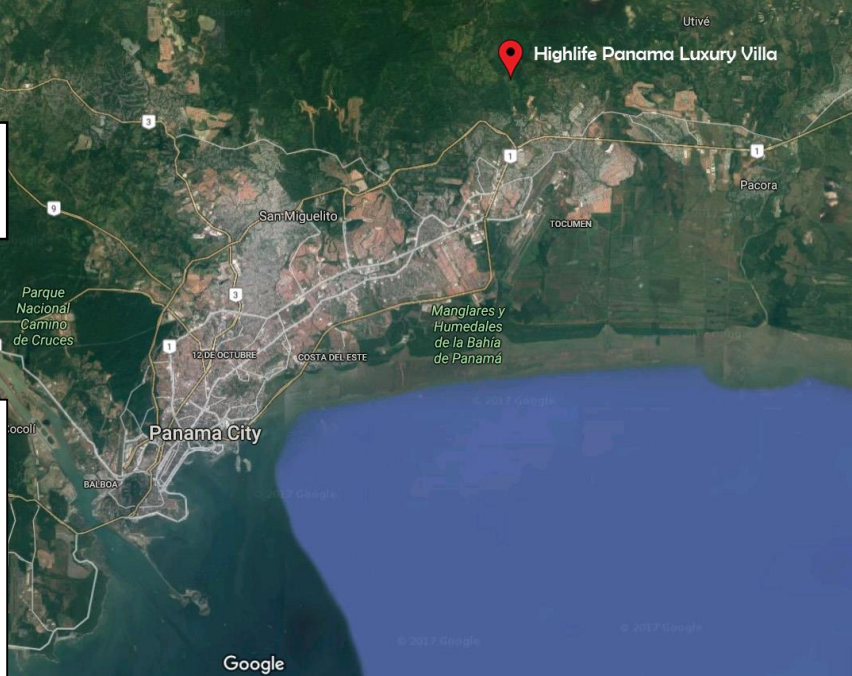

With our own fleet of yachts and helicopters to charter, Highlife Panama allows you the convenience to combine activities with your stay at this gorgeous mountain getaway. At the Highlife Panama Jungle Mansion we believe in privacy and allowing you to enjoy your stay with your guests as you choose.

Again, we welcome you to enjoy the best of Panama in Highlife style.

LOCATION

Located just outside the city in the cloud forest of Cerro Azul in the hills above Panama City. 45 minutes from downtown the mansion is a perfect escape from the city, but close enough to use as your home base while in Panama.

If you are driving yourself or using third party transport please speak with one of our Highlife representatives to provide detailed instructions for arrival.

GETTING TO AND FROM THE MANSION

Due to the exclusive nature of our jungle mansion, there are no signs on the outside of the building nor any visible signs of the building behind the property walls so we do recommend using our transport options to avoid any confusion. Though use of our transport is not mandatory, we do offer private chofer services for any sized group to allow you and your guests a comfortable ride into the city whenever you desire. We offer two options, a 25 passenger coaster bus or a fleet of luxury SUVs with private chofers standing by on site.

25 pax Coaster

Travel together in your private bus. The bus will be available on hand at the mansion to take you into the city whenever you want to go.

6 pax SUV

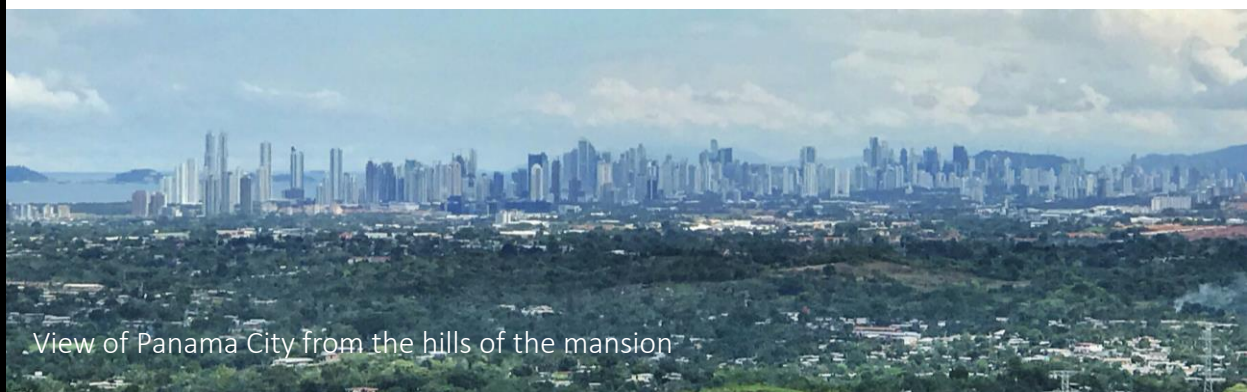

Travel in comfort in either a Toyota Prado or Chevy Suburban. Your private chofer will be available on site for whenever you wish to leave.
